RJD-Congress wants free from looting by provoking emotions: Vijay Kumar Sinha

Bihar Deputy Chief Minister Mr. Vijay Kumar Sinha has given strong response to Tejaswi Yadav's announcement of throwing the Waqf bill in the garbage can when he came to power. He said that the announcement of tearing the bill passed by the country's Parliament shows Tejaswi's unlimited, unparliamentary and anti-constitutional behavior. When they are behaving like this while being in opposition, they will do nothing but spreading chaos and terror when they come to power.

Shri Sinha further said that Tejaswi Yadav has been raised during the period of selected appeasement of the RJD-Congress and the culmination of the jungle raj. It is dishonest to expect the knowledge of the democratic circle and parliamentary dignity from them. The whole country is aware that the Waqf Amendment Bill has been passed by the country's Parliament on a much awaited demand and repeated directed by the Honorable Supreme Court.

Mr. Sinha said that respected Prime Minister's clear principle of NDA government is that we will not bring any law for vote bank because law is for justice and welfare of people. This should not be a medium of appeasement. Religious freedom has not interfered anywhere in the Waqf Amendment Bill. The changes that have been made through this bill are purely of administrative nature.

Mr. Sinha said that the people of RJD-Congress who have been repeatedly rejected by the people of the country and state want to burn the country in the fire of confusion and chaos. These familyists, nurtured by the mentality of appeasement, want their culture of collusion in the jungle rule to continue forever. But now it won't happen. Country people remember how the Waqf law was turned into an innocentist to nurture politics of overnight appeasement in 2013. Due to which more than 120 VVIP properties were given to Waqf in the most expensive area of Delhi. From 1913 to 2013, the total land of the Waqf Board was 18 lakh acres, increasing from 2013 to 2025 and new 21 lakh acres. Our NDA government sincerely believes that the loot of public properties in the name of religious appeasement can no longer be given.
